

Hassle-Free Integrated Payment Processing... for SouthWare Innovations

Save Time & Reduce Errors

Stop entering payment information into separate systems.

Save Money

Curtail costly chargebacks and fraud incidents.

Receive Daily Reports

Easily reconcile payments with your bank.

"PPI was instrumental in helping us create our integrated payment solution. They have experts who understand the solution and are available 24/7/365 with no additional costs to our customers. A typical bank can't offer that kind of support, but PPI can."

*Rick Hulseay
VP, Business Development
SouthWare Innovations*

You'll save time and money with the industry's most comprehensive integrated payment solution for accounting.

The Payment Processing, Inc. solution for SouthWare Innovations is easy and efficient, offering one-step payment processing with everything you need to accept credit cards in your operation...

- **Superior Integrated Payment Technology**

This next-generation solution streamlines your internal processes and pays for itself in no time. Our experts configure your system, so you're up and running quickly, smoothly and with guaranteed usability.

- **Unwavering Technical Support**

Never again 'bounce' between vendors when nobody knows what's going on. Call PPI's free, unlimited 24/7/365 'Answer-the-Phone' help desk for all your payment software and transaction issues. PPI handles everything!

- **Better-than-Bank Merchant Services**

An integrated payment solution requires technology expertise that a typical bank just can't offer. With PPI, you receive all the support you need - including affordable merchant services - without changing bank accounts.

**Save Time. Save Money.
Gain Simplicity.**
